"We are very pleased with our personalised Oxford exercise books from Exercise Books Direct. The quality of the paper sends the message to our children that what they write is important and raises their expectations of what they are capable of.

We are grateful to Exercise Books Direct for supplying these to us."

Exam Essentials

The advertisement for the Scribzee app features the Scribzee logo (a stylized face with glasses) and the text "scribzee Your study notes companion". It shows three examples of the app's interface: a desktop monitor, a tablet, and a smartphone, all displaying the handwritten text "Study everything" or "On your phone". At the bottom, there are logos for Google Play and the App Store, and the text "Compatible with all Oxford Flash Cards".

Studying for exams has never been easier. Studying usually involves spending long hours in the library which can cause stress...
